

Dear Parents,

Since the stability of our school and the quality of its programs are of the utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, the schools in the Diocese of Marquette have partnered with FACTS Management Company to help us manage our tuition payment program and financial aid assessment. FACTS is used by many schools locally and over 6,500 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

One of our primary goals this year at Sacred Heart School is to concentrate our efforts on improving the *business side* of our school. By taking advantage of the security and convenience of payment processing and information technology offered by FACTS, we remain committed to this goal.

You will realize these benefits by using FACTS for your tuition payment plan:

1. **Payments:** Automatic payments can be made from a checking account, savings account or from a variety of credit cards.
2. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.
3. **Peace of Mind Insurance:** FACTS offers this **optional** benefit for only \$20 per year per family. In the event of death of the Responsible Party or spouse, the remaining tuition balance owed for the current school year is paid to the school.
4. **Consumer Account:** You may check your personal account or make payments online from the convenience of your home or office anytime.

Thank you for your continued loyalty and support for Sacred Heart School. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued support and cooperation is appreciated, as we remain committed to our mission.

Sincerely,

Mrs. Christy Miron, Principal
